Wedding Packages

Please see these guide prices for a selection of example packages, which start with the digital-only option, but all can be tailored to suit your requirements, adding from a huge selection of wedding albums and frames, so feel free to contact me if you would like a bespoke quote. Travel up to 10 miles from HU1 postcode within East Yorkshire is included.

Ceremony Special:

Three hours attendance*, covering arrivals, ceremony, group shots and cake-cutting up to the beginning of your meal, with all your photos presented on a high-res USB memory stick or via download **£495**

Daytime (up to 6pm):

Preparations, through ceremony, including speeches and meal, with all your photos presented on a memory stick or via download. **£995** including a pre-wedding shoot

Day & Evening:

As above, but includes staying for your evening reception through to the first dance and some partying, with all your photos presented on a memory stick or via download. **£1195** including a pre-wedding shoot

All packages include website access to your photos, where they are available to download in low-resolution, ideal for your phone/PC wallpaper, sending on email or uploading to social network sites like Facebook and Instagram.

If you want to add something special to your package, why not have a real memento of your day with a selection of your photos in a real wedding album? There is a huge range of quality wedding books available, starting from £250.

**Three hours would be the usual minimum attendance for a peak season weekend service, however if you require attendance shorter than three hours, this may still be possible, dependent on your date and my availability, so please call me to discuss.*
